Tim

I made a few suggestions to your draft comments (at least for the first part of the file). Have you had any success in having ORC look at the comments?

Do you plan to email comments to BLM or give them to NEPA to send? Or are we sending a letter?

Thinking about it, my reaction is that we should cc WYDEQ on our comments (noting though that they send letters to BLM and forget to copy us).

Thanks

Comments for EPA Internal Review

Hi Carl and Scott,

As a Heads-up; I know you both have talked about these materials, but I wanted you to have a draft version of the preliminary comments to look at (Chris R. has weighed in along with Tom Coda – OAQPS. My bad in timing for asking for a review by Sara L. in ORC – will see what she may be able to provide later in the week.)

Please let me know if there are questions. I missed the original due date request of BLM for 7/31/14 and called and got a revised date of 8/8/14. I think to do a good job of the response, we should target 8/18/14.

Thanks!

Tim
